**TTI Receives Awards from The Home Depot**

ANDERSON, S.C., Sept. 24 /PRNewswire/ — Techtronic Industries Co. Ltd. (TTI) received recognition from The Home Depot®:

- ◆ 2004 Innovation Award for its successful launch of the RIDGID® power tool line
- ◆ Supplier of the Year for Lawn and Garden Products for TTI's Outdoor Products
- ◆ "Top Ten Finalist" for the 2004 Innovation Award for Ryobi® trimmers

TTI was chosen from among The Home Depot's nearly 5000 vendors for these top honors.

Horst J. Pudwill, Chairman and CEO of TTI commented, "We are very proud to be recognized by The Home Depot for our innovation and vendor capabilities and it truly has been a valuable partnership for us."

The Home Depot presents the prestigious Innovation Award annually to the vendor who launched the most innovative new product at its stores during the year. In a special ceremony held in Atlanta, The Home Depot's Executive Vice President of Merchandising and Marketing John Costello singled out the RIDGID® power tool line by TTI as the award winner for the year.

"Our 2004 Innovation Award recognizes TTI for the new RIDGID® line of power tools," said Costello. "The Home Depot strives to provide innovation and differentiation in our products, and RIDGID is an example of a best-in-class product designed to address the needs of our pro customers. The new RIDGID line is the result of years of research and development and includes features not found on any other tools in the industry."

The new and comprehensive line of 35 RIDGID® handheld corded, cordless, bench-top and stationary power tools for professional contractors, builders and woodworkers was launched in October 2003. In designing the new line of RIDGID® tools, thousands of hours were spent talking with and working along side contractors, builders and wood-

workers to understand how they work, the challenges they encounter, and their power tool needs. This was translated into products that boost productivity, enhance user comfort, and offer exceptional power and durability.

TTI's Outdoor Division was the winner of the Supplier of the Year Award for Lawn and Garden Products for outstanding sales

growth, merchandising and shipping performance. The Outdoor division showed significant sales increases in all product categories and brands, including the introduction of three gas-powered string trimmers and one electric under the Ryobi® brand, blowers and trimmers under the Homelite® brand and the Expand-it® attachment system.

"The fact that we were selected as best-in-class innovator as well as a Supplier of the Year is a tribute to all the TTI employees in the United States and worldwide," said

Bob Freitag, President, Hardware Group, TTI North America.

## Humor Is, As Humor Does

A turkey farmer was always experimenting with breeding to perfect a better turkey. His family was fond of the leg portion for dinner and there were never enough legs for everyone. After many frustrating attempts, the farmer was relating the results of his efforts to his friends at the general store get together.

"Well I finally did it! I bred a turkey that has 6 legs!"

They all asked the farmer how it tasted.

"I don't know," said the farmer. "I never could catch the darn thing!" ☺

What kind of music did the Pilgrims like?

Plymouth Rock. ☺

The pro football team had just finished their daily practice session when a large turkey came strutting onto the field. While the players gazed in amazement, the turkey walked up to the head coach and demanded a tryout. Everyone stared in silence as the turkey caught pass after pass and ran right through the defensive line. When the turkey returned to the sidelines, the coach shouted, "You're terrific!!! Sign up for the season, and I'll see to it that you get a huge bonus."

"Forget the bonus," the turkey said, "All I want to know is, does the season go past Thanksgiving Day?" ☺

An elderly couple, Minnie

and Max, sit down to their Thanksgiving dinner. Before eating, his wife speaks up, "Can I ask you a question, Max?"

"Sure, Minnie," Max says, waiting to dig into his meal.

"Has our years of marriage made you grateful?"

"Yes, indeed!" Max replied. "For the twenty years I was a bachelor!" ☺
